

A Foot in the Door: Stepping Stone

Weatherization and Energy Efficiency Training **CONTRACTORS NEEDED!**

A typical weatherization job generates \$800 - \$3,000 in revenue and takes half a day to 2 days to complete

Did you know:

Community agencies conduct energy audits. Weatherization work is assigned to **approved contractors**, who are paid through utilities with state/federal government funds. That **contractor** could be you!

Learn how “Weatherization Assistance Programs” (WAPs) can pay for residential and commercial weatherization.

Learn about FREE weatherization opportunities.

*You are eligible for this FREE “Stepping Stone” training program if:

- You have an interest in Energy Efficiency & Weatherization
- You are a legal resident and live in the Greater New Bedford Area
- You have an entrepreneurial spirit
- You are available for classes on Monday-Saturday
- You are able to climb ladders, go in crawl spaces, lift 40 lbs, and work in hot & cold weather with a positive attitude
- You have the ability to read and write English and understand basic math
- You have no serious CORI issues
- You meet additional criteria as determined by the New Bedford Career Center

If interested, or have questions about eligibility, please attend the group intake orientation Wednesdays at 10:00 AM at the Greater New Bedford Career Center located at 618 Acushnet Avenue, New Bedford, MA 02740 or contact Elizete Perry at 508-990-4157 or EPerry@detma.org

There is \$10M dollars of funding available for weatherization work, which is set to increase to \$20M dollars...What are you waiting for?
